

Upcoming Grant Opportunities

Appalachian Regional Commission

The Appalachian Regional Commission is accepting applications for construction, non-construction and planning projects that meet their economic development mission and aligns with their goals of: Economic Opportunities, Ready Workforce, Critical Infrastructure, Natural and Cultural Assets and Leadership and Community Capacity Applications.

Application Requests due: November 22, 2022
Applications Due: February 1, 2023 (By Invitation Only)

SC Department of Commerce

The SC Dept. of Commerce is accepting Community Development Block Grant applications for infrastructure projects designed to produce outcomes that improve citizens' quality of life and create a competitive environment for jobs and investment by addressing priority community development needs. Activities include water, sewer, drainage and road improvements. These grants are designed to improve the quality of life for distressed and LMI communities.

Application Requests due: Mid March 2023
Applications due: Mid April 2023
